Our Expertise Areas

Realize your constitutional right with qualified help.

Criminal Defense

A car accident can be one of the most traumatic events a person can experience. It only takes a split second to crash, but the memory lasts a lifetime.

Car Accidents

A defense lawyer is a legal professional who works to provide representation to individuals or organizations charged with criminal offenses.

Landlord

The relationship between landlords and tenants can be a complicated one. Each side has rights and responsibilities, under both general California law.

Personal Injury

When someone suffers an injury in an accident caused by another's negligence, they deserve justice and fair compensation.

FIREFIGHTING FOAM AFFF LAWSUIT

June 2025

For decades, firefighters, including military and civilian units, used Aqueous Film-Forming Foam (AFFF) to suppress fires. AFFF was also used in fires and training exercises across multiple organizations. Unfortunately, many of the chemicals found in AFFF can build up in the body over time, negatively impacting overall human health [...]

Testimonials

Client success stories.

Compassionate, Knowledgeable Attorney. Mr. Dolman knows the law. I am very selective who I refer clients to, as it is also a reflection on my practice. I continue to refer clients to Mr. Dolman because he treats my clients with great compassion and explains the process in simple terms. He achieves the results that make the clients happy. I have not heard one bad review about Mr. Dolman.
